MEMORANDUM FOR: Acting Deputy Director (Administration)

SUBJECT: Weekly Report for the Week Ending 23 April 1954

1. General

25X1A1d

2. Projects and Studies

a. Logistical Requirements - (continued item)

A memorandum has been forwarded to the FM Staff, DD/P, requesting concurrence in the proposed distribution of TSS items by base areas for support [REDACTED]. Study indicates that demolitions requirements can be satisfied substantially with materiel on hand. A memorandum has been received from the FM Staff, DD/P, indicating concurrence in the proposed distribution of small arms and ammunition by base areas.

b. Requirements Forecasts, FY-55 and FY-56 - (new item)

Requirements forecasts were due in the Logistics Office 15 Apr. '54. To date, forecasts have been received from FE Division, Office of Communications, Office of Training, [REDACTED] (Administration portion only) and TSS. Informal contact with other Agency components indicates that the remaining forecasts will be submitted to the Logistics Office within the next two weeks. Processing has commenced on forecasts received.

3. Administration

a. Classification Survey - (continued item)

(1) Orientation meetings were held for all Logistics Office employees in order to acquaint each individual with the purpose of the Classification Survey and to provide information to be used in the completion of job questionnaires requested by the survey team.
